Release into production

To the attention of:	DCPs, ICPs
Priority:	High
Topic:	T2S release 6.2 – Release into production

Dear Client,

We wish to announce that the release into production of TS2 6.2 has been confirmed and will take place on 18 November, effective as of 21 November 2022.

Euronext Securities Milan has successfully completed testing of all defects and change requests applicable to its operating model in T2S's UTEST and ES-MIL's TE test environment.

Plan to release the software into the production environment

Release 6.2 will be launched into production according to "option 2" as defined in version 3.0, chapter 3.4.3 of the MOP.

The PTTS-SOMT team will provide email confirmation of the completion of the most significant phases of the release process:

- Friday 18/11, at around 20 hours, confirmation of commencement of the release procedure; closure of incoming and outgoing communication channels to/from T2S and A2A and U2A channels;
