- A) Relates to the earliest loan admitted to listing/registration at any time.
- B) Where the issuer has shares or equity commercial papers admitted to listing, the annual fee is NOK 59.00 per MNOK of the outstanding amount of all the issuer's bond issues.
- C) This is a one-off fee incurred at the time of listing/registration.
- D) Ordinary senior bonds issued by a bank, ordinary covered bonds and other particular standardized types of bond at the discretion of Euronext Oslo Børs.
- E) Bonds of types other than those mentioned in item D.
- F) The fee is set at twice the registration fee for "other bonds". The fee will not apply to bonds secured by collateral where a third-party valuation is provided which, in the opinion of Euronext Oslo Børs, provides sufficient information on the collateral. The fee will not apply to bonds that are guaranteed by the state or by a municipality or county authority.
- G) The fee is set at three times the registration fee for "other bonds". The fee will not apply to bonds secured by collateral where a third-party valuation is provided which, in the opinion of Euronext Oslo Børs, provides sufficient information on the collateral. The fee will not apply to bonds that are guaranteed by the state or by a municipality or county authority.
- H) The fee becomes payable when an admission document is submitted to Euronext Oslo Børs for inspection, even if the inspection subsequently is not, or cannot be, completed.
- I) For issuers specifically applying to list the extension, an additional fee of NOK 10,000 is incurred.
