Services requested and Configuration

Option 1 – Wholesale Trading (Free of Charge up to a maximum of 5 Licences (users) per Customer)

Features:

- Wholesale Order support
- 'RFC' - request for cross
- TRF pricing module
- 15 mins delayed market data
- Third Party Orders

Please indicate number of user licences for Index and Equity Derivatives markets:

Per each of the following Authorized Users:

E-mail address (mandatory) (*)	Name	Surname	SLC Manager	Read Only

(*) E-mail address cannot be a group e-mail, it shall refer to a physical person.

Orders and Trades are segregated by user by default. Please contact the Euronext support team at clientsupport@euronext.com if you wish to segregate by member.

SLC segregation will be defined via the ENX Trader Short Long Code widget by MCA or another person delegated by MCA.

SLC manager sets SLC data for all firms users and the data can only be amended by that user.

Please indicate with a X the user to be configured as SLC Manager.

If no selection, all the users will be configured as SLC manager leading to:

- All users able to create and manage SLC items
- All users able to see SLC items entered by other users

Option 2 – Central Orderbook (COB) Trading/Quoting/RFQ

- COB ORDER ENTRY**
- REAL TIME MARKET DATA DISPLAY**
- AUTHORIZATION (RISK LIMITS)**
- COMPANY SUPERVISOR**
- RFQ REQUESTOR**
- RFQ RESPONDER**

Support

Service support will be available according to the Service Specifications.

Agreement of the parties

The agreement of the parties will be provided following six steps:

1. The Customer completes the Order Form specifying all the Services it wishes to receive from the Supplier. At this stage the Order Form should not be signed by the Customer;
2. The Customer returns the Order Form to ETS-Frontend@euronext.com and, in parallel, requests via MyEuronext portal the logical access that will be used by ENX Trader to interact with the Optiq® trading platform;

Euronext Technologies s.r.l.

Piazza degli Affari, 6
20123 Milano
Italy
Phone +39 02 72426 1

3. The Supplier validates the submitted Order Form and informs the Customer of the Charges (not applicable for Option 1) and of any need of amendment to the Order form (in case of errors or discrepancies);
4. The Customer's authorised signatory receives the execution copy of the Order Form electronically via DocuSign, including an overview of the applicable Charges;
5. The Customer signs the Order Form via DocuSign;
6. The Supplier countersigns the Order Form via DocuSign.

Applicable provisions

This Order Form shall be governed by the General Terms and Conditions for the supply of Euronext Broker Workstation ("**Conditions**") and relevant Annexes attached thereto. The Contract shall be deemed to be entered into on the Commencement Date as defined in Clause 2.2. of the Conditions.

The Supplier and the Customer hereby agree to enter into this Order Form on the terms set out and referred to in this Order Form. The Customer confirms that it has read the terms of this Order Form.
