Predict lists on Euronext Growth Milan

- **17th listing in 2024 on Euronext Growth Milan**
- **37th listing on Euronext in 2024**
- **The company raised €1.6 million**

Milan – 30 September 2024 – Borsa Italiana, part of the Euronext Group, today congratulates Predict on its listing on Euronext Growth Milan.

Predict is an innovative SME dedicated to the development of technologies in the healthcare sector and, primarily, in non-invasive in vivo diagnostics.

Predict's listing is the 17th listing this year on Euronext Growth Milan, Borsa Italiana's market for small and medium-sized companies, and it is Euronext's 37th listing of this year.

In the placement phase, Predict raised €1.6 million, including the potential exercise of the over-allotment option (equal to €79.950).

Angelo Gigante, President and CEO of Predict, said: *"We are very pleased to announce the listing of Predict in the Euronext Growth Milan market of Borsa Italiana. This milestone represents an important step in our growth path and positions us among the leading players in a rapidly expanding sector. With the listing, we open ourselves to investors and strategic partners who share with us the goal of continuing to invest in R&D in order to maintain a competitive advantage and offer increasingly advanced solutions. The listing represents the beginning of a new phase: we now look forward to the exciting opportunities that the breath analysis and digital healthcare markets hold in store for us."*

Caption: Isabella Cafagna and Loredana Amoruso, CEOs of Predict, Rocco Dichio, Board Director of Predict and Angelo Ceci, CFO of Predict, rang the bell during the market opening ceremony this morning to celebrate the company's listing.

Predict S.p.A.

Established in 2008 in Bari, Italy, Predict is an innovative SME dedicated to the development of technologies in the healthcare sector. The company is organised into four Strategic Business Units ("SBUs"): the Imaging and People Support SBUs provide support for the in vivo diagnostic imaging sectors; the Mistral SBU offers innovative solutions and products in the breath analysis sector; and the Digital Healthcare SBU develops and commercialises augmented reality and robotics technology solutions for physicians and practitioners. Thanks to its strong drive for innovation and research, the Company has perfected multiple in-house solutions over the years to improve people's quality of life such as Mistral, a disruptive diagnostic technology based on breath analysis that enables non-invasive screening of oncological conditions and personalised medicine on numerous diseases; Aphel, an artificial intelligence platform for robots in support of patients and medical staff; Optip, a holopresence communication system designed for remote medical consultation and learning; and, in the version Optip Stage, a holographic stage for performances, events, and educational projects. Due to its standing in the most innovative sectors of healthcare, Predict has established lasting partnerships with leading university polyclinics and research institutes (IRCCS) in Italy including La Sapienza University, University of Bari, Polytechnic University of Turin, Polytechnic University of Bari, Giovanni Paolo II Cancer Institute - Bari, IFO Regina Elena National Cancer Institute - Rome, Policlinico Umberto I - Rome.

About Euronext

Euronext is the leading pan-European market infrastructure, connecting European economies to global capital markets, to accelerate innovation and sustainable growth. It operates regulated exchanges in Belgium, France, Ireland, Italy, the Netherlands, Norway and Portugal. With nearly 1,900 listed issuers and around €6.5 trillion in market capitalisation as of end of June 2024, it has an unmatched blue-chip franchise and a strong diverse domestic and international client base. Euronext operates regulated and transparent equity and derivatives markets, one of Europe's leading electronic fixed income trading markets and is the largest centre for debt and funds listings in the world. Its total product offering includes Equities, FX, Exchange Traded Funds, Warrants & Certificates, Bonds, Derivatives, Commodities and Indices. The Group provides a multi-asset clearing house through Euronext Clearing, and custody and settlement services through Euronext Securities central securities depositories in Denmark, Italy, Norway and Portugal. Euronext also leverages its expertise in running markets by providing technology and managed services to third parties. In addition to its main regulated market, it also operates a number of junior markets, simplifying access to listing for SMEs.
