## T2S release 1.2 – Release into production

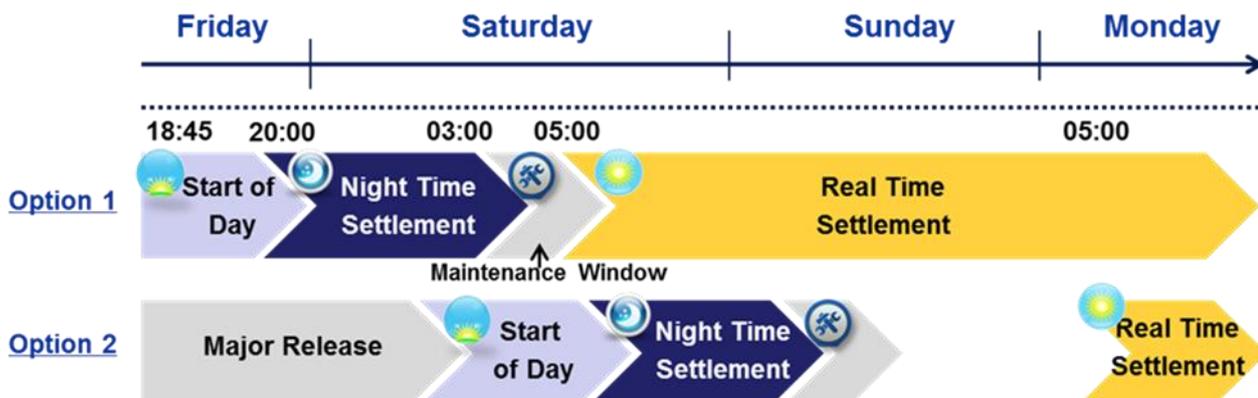

**Attention:** DCPs  
**Priority:** HIGH  
**Topic:** T2S release 1.2 – Release into production

Dear Client,

Following the completion of internal and external tests, we can confirm the release into production of release 1.2 of Target 2 Securities (T2S) during the weekend of 26/27 November, with the launch on 28 November 2016.

In anticipation of the go-live, DCPs are invited to verify that their production configurations are correct and able, if necessary, to replicate in that environment the same situation used to test the “change requests” and defects that are part of the release.

Note that the release of T2S 1.2 will be released into production in accordance with option 2 of the Manual of Procedure (MOP) (paragraph 3.4.3), as shown in the diagram below.
