**Re:** CSDR Authorisation

Dear Client,

Following an assessment by the competent authorities on the completeness of the documentation for the application of authorisation pursuant to the CSDR, we inform you that additional requests have been made and the new deadline of 13 May 2019 has been set for compliance.

From the moment the authorities consider the application complete, a further six months will be required before the authorisation can be granted.

The authorisation is therefore expected by the end of the current year.
