Release into production of “stand-alone” SWIFT MT568 messages

For the attention of: **DCP, ICP**
Priority: **Average**
Re: **Release into production of “stand-alone”
SWIFT MT568 messages**

Dear Client,

We are pleased to inform you that the outcome tests of these functions, conducted with participants between 9 and 20 October, was successful.

Accordingly, as announced in MN_ 74/2017, Monte Titoli will release the new “stand-alone” MT568 messages into production on 30 October.

We wish to take this opportunity to remind you that the reference documentation has been posted on the MyStandards portal, within the “Monte Titoli Corporate Action Narrative 15022 v.1.0” Usage Guideline.
