Ascertia Go-Sign Desktop (AGSD) version update

To the attention of:	DCPs
Priority:	High
Topic:	Ascertia Go-Sign Desktop (AGSD) version update

Dear Client,

Please note that the new version **8.3.6** of the Ascertia Go>Sign Desktop (AGSD) client is now available, replacing the current version **6.9.0.20**.

The new version can be downloaded as of today from the ESMIG Portal in the EAC and UTEST environments, while in PROD it will be available from 16 December.

Please note that version 6.9.0.20 will be supported until 30 June 2025, ensuring a sufficient time window for migration to the new version.

We recommend installing the new version - **by 30 June 2025**. After this date, the previous version will continue to function but will no longer be certified for use.
