Priority: High
Subject: Tax Services

Dear Client,
We inform you that the updated White List of the Italian Tax Authorities has been released with a Law Decree dated August 9th.

The new White List includes 51 more countries, including Switzerland, to increase the possibility to obtain tax exemption or reduction, which is aimed to attract more investments towards the Italian market.

The new White List entered into force since its publication in the Official Gazette, which occurred on August 22nd.
