TEST OF "PRODUCTION-LIKE" VOLUME -
Cancellation of second test session

Dear Client,

following our [Market Notice 03/2017](#), sent on 12 January 2017, we inform you that the ECB has notified that it will no longer be necessary to hold the second session of "production-like" volume test planned for 19 and 20 January 2017 in the T2S testing environment, named "UTEST".

Accordingly, for all days of the week the Live Timing schedule will be present in the UTEST environment and there will be no changes to the recycling period parameter. The other T2S environments will be operative according to the scheduling shown below.

We will inform you if the ECB notifies further additional changes in planning.
