## JIRA disposal due to T2-Securities go-live

---

Dear Client,

As we are going to approach T2S go-live, of August 31<sup>st</sup> 2015, and the expected conclusion of its tests, on August 21<sup>st</sup> 2015, we inform you that our T2S task force, formed to manage all participants' requests expressed throughout the Community Testing and Business Day Test, will cease its activities on August 28<sup>th</sup> 2015; similarly, even the requests detection and centralization system (JIRA) will be dismissed. From 31<sup>st</sup> August on JIRA will be available only in read-only mode in order to solve remaining open test tickets. JIRA will be completely dismissed within December 31<sup>st</sup> 2015.

As of August 28<sup>th</sup> 2015, Monte Titoli will consequently reset the usual contact tools (phone/mail) and the usual reference contacts listed below, to operationally support the Settlement and Centralized Management services provision in T2S:

- For technical/computing issues and for service provision:

**Service Operation**

Email: [ptts-somt@lseg.com](mailto:ptts-somt@lseg.com)

Phone: +39 02 33635 566

- For operational issues, related to different business areas:
