T2S – Change Request – published documentation

Dear Client,

we are pleased to inform you that Monte Titoli published the following documentation in T2S repository (MT-X platform) in the section Documents (T2S – Change Management / T2S Change Requests):

1. Potential topics for future T2S releases (Release 1.3, Release 2 and following)
- CRG meeting on October 28th, 2015. It includes a list of CR and topics proposed by T2S community, which will be analysed during CRG meeting on October 28th , 2015. The goal of the meeting is to verify the business feasibility and the completeness and to determine which topics among those could be implemented in the next releases;
2. Supporting documents explaining issues of the previous point
3. List of CR selected for implementation in Release 1.1;
4. Reports of the last two CRG telco hold on September 4th and 28th, 2015 whose topics were on CR selected for release 1.1;
5. The list of CR selected for release 1.2.

As agreed during IT NUG meeting on October 21st, 2015, additional comments on CRs defined at point 1 can be sent at the following email address pt.clientservices@lseq.com.

We remind you that final documentation on CRG activities (draft of CRs, memos of group meeting, decisions taken and final releases of CR ..) is published and available on BCE website at the following email address <http://www.ecb.europa.eu/paym/t2s/governance/tg/html/crg.en.html>.
