

Updated technical documentation for T2S

Dear Client,

Monte Titoli would like to inform you that the following technical documentation related to T2S implementation has been published.

The updated document, "MT-RNI-TR001 7B2 Transformation v 03 per T2S.pdf", is now available within the following MT-X directory:

Docs → T2S – Target2 Securities → Technical Documents → Standard per Utenti CUS
e CA modalità RNI

Technical documentation has been updated to include all integrations requested by participants throughout T2S Community Test. Please note that RNI documents are published only in Italian since they are available only for resident financial institutions.
