## Update of technical documentation for 7B2 RNI message of Transformation

---

For the attention of:

DCP e ICP

Re:

Update of Custody message formats for RNI

Dear Client,

We would like to inform you that Monte Titoli has updated the technical documentation related to the RNI 7B2 message of Transformation. The change introduced is referred to two new indicators added in the IDC 71J of procedural reporting.

---

### Relevant documentation

The relevant technical documentation may be consulted through the following channels:

- RNI Standards for Users standard per utenti RNI “MT-RNI-TR001 7B2 Transformation v1.0.1”, disponibile nella sezione documentale di MT-X nella cartella: Documentazione > Documentazione Tecnica > Tracciati Utente – in lavorazione.
