T2S Wave 3: Update on ESES link operating process

Dear Client,

we inform you that, by September 12, 2016, date of planned migration to ESES on Target2 Securities, Monte Titoli will continue all current operations.

Any participation will not be required to the test community planned in the next weeks.

In the coming days we will provide you with more details and information. We confirm you that the participation as Investor CSD for ESES markets in T2S will be implemented after September 12 and within the end of the year.

About the test sessions, In confirming that there are no activities in charge to DCPs and the ICPs, the main tasks in charge in Monte Titoli to be held in PRE-PROD environment and that will require the closure to clients. The operational information about MWDR are listed in [a separated document](#) on our web site The restart of the platform and Monte Titoli services are expected in the normal business hours on Monday morning, July4, 2016.
