## Monte Titoli announces its publication of User Standards for T2S

---

Dear client,

As of today, the “User Standards for RNI message layout” and “User Standards for A2A message layouts”, that will go live in line with T2S, are available to view and download on MT-X in the following directories:

- Documents -> T2S - Target2 Securities -> Documentazione Tecnica -> Standard per Utenti CUS e CA modalità RNI
- Documents -> T2S - Target2 Securities -> Documentazione Tecnica -> Tracciati X-TRM

Swift version of the same messages is available in the Monte Titoli home page in My Standards, the platform that Swift provides to their customers, for the creation and the distribution of Swift messages.

To have access to such workspace, please contact either the Monte Titoli Sales or Client Support team.
