## Disaster Recovery Simulation 29<sup>th</sup> March 2013

---

**Monte Titoli announces the planning of the next Disaster Recovery Simulation on 29<sup>th</sup> March 2014**

Dear client,

we are pleased to inform you that Monte Titoli will perform a Disaster Recovery Simulation on Saturday 29<sup>th</sup> March 2014, to test STP procedures of Custody & Settlement services.

The simulation will not require our clients to take any action, but impact on the IT systems should be taken into account with reference to the correct receiving of information data flows in the official environment.

Data flows will be sent for both the RNI and A2A components during the Simulation; the overnight post-settlement report will be transmitted on Saturday 29<sup>th</sup>.
