1303 Any applications, filings and correspondence with, and submissions to, a Euronext Market Undertaking by Members, Issuers and prospective Members or Issuers shall be in English or in the language or one of the languages of such Euronext Market Undertaking, as each Member, Issuer or prospective Member or Issuer may elect.

1402 With a view to the adequate and proper operation of the Euronext Markets and the protection of the interests of participants on those markets, the Euronext Market Undertakings may modify the Rules, including by adopting additional Rules, whenever it deems such modifications necessary or appropriate.

The Rules are modified by decision adopted jointly by the Euronext Market Undertakings in the case of Rules set forth in Book I, or by decision of the Relevant Euronext Market Undertaking in the case of Rules set forth in Book II, in each case subject to approval by the Competent Authorities. Such modifications shall become effective and binding on all Members and Issuers upon publication by the Euronext Market Undertakings in the manner set forth in Rule 1501 or at such subsequent date as is specified in such publication.

If any modification of the Rules, other than a modification required by European Community law or National Regulations, materially adversely affects the rights or obligations of Members generally or of any class of Members, then any Member so affected may terminate its Euronext Membership by notice in writing given to the Relevant Euronext Market Undertaking within five Trading Days from the date of publication of the relevant modification.

1.5. PUBLICATION AND COMMUNICATIONS

1501 The Euronext Market Undertakings shall ensure publication of this Rule Book, subsequent amendments to the Rules, and Notices through dissemination to its Members and/or Issuers or to the relevant class of Members or Issuers via its trading system, publication in its periodical publications or individual notification as appropriate.

1502 Unless specifically provided otherwise, any notification or other communication specific to a Member or an Issuer which is required to be made in writing by any Rule may be made by any means of communication producing or permitting reproduction of a written or printed text of the notice.

Any such notification or communication shall be deemed to have been received when effectively delivered to the recipient's address or transmitted to its fax number or electronic mail address, as the case may be, except that any notification or communication made by ordinary mail shall be deemed to have been received on the second, fourth or seventh Trading Day following the postal stamp date, depending on whether the notice is sent within the same country, to another Member State or to a country outside the European Economic Area, respectively.

Any such notification or communication to a Member or to an Issuer shall be made to the address, fax number or electronic mail address specified in writing by such Member or Issuer. For Members, such a registration has to be done pursuant to Rule 2.7 or Rule 3.7, as the case may be.

1503 A Relevant Euronext Market Undertaking may record conversations conducted on telecommunications equipment of any kind located on its premises, including for the avoidance of doubt conversations conducted from such premises using portable telecommunications equipment. Any such recordings shall be retained by that Euronext Market Undertaking on such terms and conditions as may be prescribed from time to time.

1.5A. OBLIGATIONS OF REGULATED MARKETS

1501A Euronext Market Undertakings are required, pursuant to National Regulations, to:

- (i) have clear and transparent Rules which (a) provide for fair and orderly trading and establish objective criteria for the efficient execution of orders; and (b) ensure that any Financial Instruments admitted to trading are capable of being traded in a fair, orderly and efficient manner;
- (ii) establish and maintain effective arrangements and procedures for the regular monitoring of the compliance with the Rules by Members and Issuers; and
- (iii) monitor the activity undertaken by Members in order to identify breaches of the Rules, disorderly trading conditions or conduct that may involve market abuse.

1502A The Relevant Euronext Market Undertaking may, if in its opinion any circumstances calling for emergency action have developed or are developing and, whenever possible, after consultation with the relevant Competent Authority (and, in any case, after notifying such Competent Authority), take any steps on a temporary basis to provide for, correct or check the further developments of those circumstances in order to preserve or restore conditions enabling the maintenance of fair and orderly trading and efficient execution of orders. Steps taken pursuant to this Rule 1502A shall be published by Notice or by such means as are considered appropriate and subsequently confirmed by Notice.

1503A For the purposes of Rule 1502A, “circumstances calling for emergency action” should be construed as being any unexpected circumstances which threaten, or potentially threaten, the ability of the Relevant Euronext Market Undertaking to meet its responsibilities as an operator of regulated markets to maintain the fair, orderly and efficient conduct of business on the markets and the due performance of contracts. Such circumstances include, but are not limited to, extreme asset price volatility, failure or compromise of critical IT systems and material systemic problems within financial markets. The steps taken pursuant to Rule 1502A may include, but would not be limited to, those actions mentioned in Rule 1601.

1504A Rule 1502A is without prejudice to the powers of a Competent Authority to require a Euronext Market Undertaking to take, or cease taking, steps.

1.6. EXCLUSION OF LIABILITY

1601 Euronext wishes to draw the following statement to the attention of Members and Issuers. In pursuit of Euronext’s responsibilities as an operator of regulated markets including those referred to under Rule 1501A, there are a number of actions which may or may not be undertaken by Euronext, whether as a result of Euronext’s own determination or at the request of a Member, Issuer or the relevant Competent Authority. Some of these actions are listed below, without limitation:

- (i) the suspension or restriction in some way of business on any of the Euronext Markets pursuant to Rule 4403 and/or Rule 5402;
- (ii) the closure for any period of any of the Euronext Markets pursuant to Rule 4403 and/or Rule 5401;

- (iv) any investigation, audit or check in respect of a Member or an Issuer to ensure compliance with the Rules pursuant to Rules 9.2, 6107 and/or 6901; and
- (v) the suspension of membership rights and/or termination of membership pursuant to Rule 2.8 and/or Rule 9.3.

This may result in the inability of one or more Members and, through such Members, one or more Clients, to enter into Transactions.

1602 Unless otherwise expressly provided in the Rules or in any other agreement between Euronext and a Member or an Issuer, Euronext shall only be liable for fraud, gross negligence and wilful misconduct where there is a finding of such by a court of competent jurisdiction and shall not otherwise be liable.

1603 Members are required to draw the statements in Rules 1601 and 1602 to the attention of their Clients.

1604 For the purposes of this Rule 1.6, references to “Euronext” shall include any officers, employees, agents and representatives of Euronext.

1.6A. CONFIDENTIALITY OF INFORMATION

1601A All information concerning the affairs of an Issuer, a Member or an applicant for Membership obtained or received by a Euronext Market Undertaking shall be treated as confidential and, subject to Rule 1602A, shall not be passed on to a third party without the explicit written approval of the Person in question.

1602A The Euronext Market Undertaking shall be able to pass on confidential information in respect of such Person (without seeking that Person's approval) to:

- (i) another Euronext Market Undertaking;
- (ii) the Clearing Organisation and/or a settlement agent;
- (iii) in the case of an Issuer, the Paying Agent and/or the Sponsor duly appointed by such Issuer;
- (iv) a Competent Authority; or
- (v) any Person or body which in the opinion of Euronext exercises a legal or regulatory function under any law or regulation or a function comprising or associated with the enforcement of such a function,

provided that any Person receiving confidential information pursuant to this Rule 1602A is subject to professional secrecy obligations and shall be required to respect the confidentiality of such information.

1603A The Euronext Market Undertaking may provide to an Issuer confidential information relating to the trading of its Securities on a Euronext Market provided that the Issuer treats such information as confidential and does not pass it on to a third party.

1.7. GOVERNING LAW

1701 All provisions in this Rule Book in respect of orders and/or Transactions executed, deemed to be executed or entered into on the respective Euronext Market and all matters related thereto and, subject to Rule 1702, all other provisions of the Rule Book shall be governed by and construed:

- (i) in respect of Euronext Amsterdam, in accordance with the laws of the Netherlands and, without prejudice to any agreement to go to arbitration, shall be subject to the exclusive jurisdiction of the Dutch courts;
- (ii) in respect of Euronext Brussels, in accordance with the laws of Belgium and, without prejudice to any agreement to go to arbitration, shall be subject to the exclusive jurisdiction of the Belgian courts;

For the avoidance of doubt, all Transactions in the Central Order Book shall be executed on the Market of Reference and subject to the applicable laws and the exclusive jurisdiction of the courts relevant to that market as specified in this Rule 1.7.

1702 Other than for those provisions of the Rule Book in respect of orders and/or Transactions executed or entered into on the respective Euronext Market and all matters related thereto, The Relevant Euronext Market Undertaking and the Member may agree in a written agreement a choice of governing law and jurisdiction different from that specified in Rule 1701.

1703 Nothing contained in these Rules overrides any provision of applicable National

Regulations and, in the case of any conflict between any provision of these Rules and National Regulations, National Regulations will prevail.

1.8. ENTRY INTO EFFECT

1801 This Rule Book shall enter into effect as of a date to be announced by Euronext by Notice.

2.1. EURONEXT MEMBERSHIP AND MEMBERSHIP CAPACITIES

2101 EURONEXT MEMBERSHIP

2101/1 Any person wishing to become a Member of a Euronext Derivatives Market or a Euronext Securities Market must apply for membership in accordance with the provisions of this Chapter 2. The admission of a Person to Euronext Derivatives Membership or Euronext Securities Membership (as the case may be) is subject to the prior written approval of the Relevant Euronext Market Undertaking. Upon admission by a Relevant Euronext Market Undertaking pursuant to this Chapter 2, a Person shall be denoted as a Euronext Derivatives Member and/or a Euronext Securities Member (as the case may be).

2101/2 The trading privileges and obligations of a Member shall be set forth in this Rule Book, the Admission Agreement and in other specific agreements contemplated by this Rule Book.

2101/3 Membership or any trading privileges arising from such Membership may not in any way be transferred (other than by way of corporate restructuring with no change of beneficial ownership, subject to the prior written approval of Euronext) or encumbered by or on behalf of the Member.

2101/4 The eligibility criteria specified in, or pursuant to, Rule 2201/1 shall apply not only at the time of application for Membership but continuously, for as long as the Person in question is a Member.

2102 MEMBERSHIP CAPACITIES

2102/1 Membership capacities are determined by the scope of the Member's authorisation, licence or permission from the relevant competent authority, where such authorisation, licence or permission is required, though a Member may, if he so wishes, restrict such scope in respect of his activities on one or more of the Euronext Markets.

2.2. REQUIREMENTS FOR EURONEXT MEMBERSHIP

2201/2 Natural persons and sole proprietorships are not eligible to become Euronext Securities Members.

2201/3 Admission to Membership of any Euronext Market Undertaking shall not confer any right to attend or vote at meetings, or right to share in or any liability in respect of debts, of any Euronext Market Undertaking.

2201/4 The Relevant Euronext Market Undertaking will only consider applications for membership in respect of Persons located in jurisdictions with satisfactory regulatory arrangements including those in respect of:

- (i) supervision of investment activity; and

A Relevant Euronext Market Undertaking may impose requirements (and publish such requirements by Notice) in respect of training and competence of Responsible Persons.

2202/3 Subject to any restrictions imposed by the Relevant Euronext Market Undertaking trading may be conducted by Responsible Persons or by other individuals within the Member, at the discretion of the Member, provided all such individuals are suitable and adequately trained in accordance with the Rules. Traders who are not Responsible Persons may only submit orders for Derivatives under the ITM(s) of a Responsible Person registered to the Member or for Securities under the general authority of such Responsible Person.

2302/3 Each applicant and each Member shall authorise Euronext or its duly appointed agents to carry out such on-site inspections, during normal business hours, in respect of its activities on the Euronext Markets as Euronext may deem appropriate in its sole discretion. Furthermore, each applicant and each Member shall make a commitment to provide all information or make any modifications to its information systems that may be required by Euronext, acting in good faith, as a result of such an inspection.

2303 DETERMINATION OF APPLICATION

2303/1 A Euronext Market Undertaking shall, after receipt of an application for Membership and any additional information requested by it, in its sole discretion approve or reject such application or approve such application subject to such conditions and/or restrictions as it considers appropriate. The Relevant Euronext Market Undertaking shall notify the applicant of its decision in writing.

2303/2 Without prejudice to Rule 2303/3 and subject to Rule 1.6A, the Relevant Euronext Market Undertaking shall keep confidential all information submitted to it by a Member or a prospective Member in connection with an application for Membership or obtained by it in the course of reviewing such application.

2303/3 The Relevant Euronext Market Undertaking shall inform Competent Authorities, the other Euronext Market Undertakings and, as applicable, the Clearing Organisation(s) of the admission of new Members and the date on which such new Members are approved and/or start trading.

The Clearing Organisation(s) applicable to each category of Admitted Financial Instrument shall be specified by the Euronext Market Undertaking and published in a Notice.

2501/1 Any Member wishing to trade on the Euronext Markets other than as a customer of another Member must be party to a Clearing Agreement in respect of those Financial Instruments which it is authorised to trade but which it is not authorised to clear. For the avoidance of doubt, such Clearing Agreement must, inter alia, provide for clearing by LCH SA, in those circumstances where Rule 2501A/3(i) does not apply.

2501/2 Each non-clearing Member must ensure at all times that it has lodged with its Clearing Member adequate collateral in relation to its margin liabilities.

2502 CLEARING AGREEMENTS

2502/1 Any Member wishing to trade other than as a customer of another Member shall enter into a Clearing Agreement which complies with any requirements imposed by or pursuant to the relevant Clearing Rule Book from time to time in force in respect of those Financial Instruments which it is not authorised to clear.

2502/2 In order to trade on a Euronext Market, each Member which is not a Clearing Member in respect of the Financial Instrument he is authorised to trade must have filed with the Relevant Euronext Market Undertaking (or have filed on his behalf) an unrevoked and

valid Clearing Mandate, which may either be a copy of the Clearing Agreement entered into by such Member or written confirmation of the existence of such Clearing Agreement.

2.6. EXTENSION OF MEMBERSHIP

2601 EURONEXT DERIVATIVES MARKETS

2601/1 An existing Euronext Derivatives Member wishing to extend its Membership to other Euronext Derivatives Markets should submit a written application to the Relevant Euronext Market Undertaking to that effect. The Relevant Euronext Market Undertaking to which the Euronext Derivatives Member is applying may perform checks to ensure that the Member satisfies its additional Membership requirements (if any).

2.8. RESIGNATION, SUSPENSION AND TERMINATION

2801 RESIGNATION

2801/1 A Member may cease to be a member of one or more Euronext Markets by giving the Relevant Euronext Market Undertaking written notice of his wish to resign from Membership (a “resignation notice”).

2801/2 Subject to National Regulations, a Relevant Euronext Market Undertaking may, in its absolute discretion, postpone the effective date if it considers it necessary for the protection of clients, or otherwise in the interests of the market. If the Relevant Euronext Market Undertaking does so, it may waive the Member’s liability for some or all the fees and charges arising in respect of the period following the date on which his resignation notice would otherwise have taken effect.

- 2801/3 Upon a Member's notification of its resignation pursuant to Rule 2801/1, all amounts owed by such Member to the Relevant Euronext Market Undertaking shall become immediately due and payable. The Member shall forthwith return to the Relevant Euronext Market Undertaking on request, any software, equipment and documentation which may have been made available by Euronext.
- 2801/4 A Member's resignation shall become effective only as of the date confirmed in writing by the Relevant Euronext Market Undertaking to the Member.
- 2802 SUSPENSION AND TERMINATION
- 2802/1 Notwithstanding the rules of Chapter 9, as applicable, a Relevant Euronext Market Undertaking shall suspend (in whole or in part, for a fixed term) a Member's trading privileges on, and may terminate his Membership of, that Euronext Market in the event of:
- (i) a Member failing to perform, or delaying performing, any of such Member's obligations under the Admission Agreement, any other agreement to which both the Relevant Euronext Market Undertaking and the Member are party for which such failure would constitute a violation of the Member's obligations under the Rules; or
 - (ii) in the case of a Euronext Derivatives Market, the death of the Member, if a natural person. However, personal representatives of the deceased may retain the Membership for a period of up to six months following the date of death in order to complete arrangements for the orderly closing out of open positions of the Member; or
 - (iii) the dissolution of the Member, if a legal entity or partnership; or
 - (iv) a Member suspending payment or calling a meeting of his creditors; or
 - (v) a Member which is either a natural person or a partnership, having a receiving order or a bankruptcy order made against him or all of the partners; or
 - (vi) a Member which is a legal person having a receiver, an administrative receiver or an administrator appointed or a petition for winding up presented or a resolution passed for winding-up (except a voluntary winding-up for the purposes of an amalgamation or reconstruction which has received prior approval of the Relevant Euronext Market Undertaking) or proceedings have otherwise commenced for its dissolution; or
 - (vii) insolvency or other similar event occurring in respect of a Member; or
 - (viii) the Member's application for Membership containing material errors or omissions or being misleading in a material respect; or
 - (ix) the revocation or expiration without renewal of the Member's Home State authorisation, licence or permission to engage in the relevant Investment Services resulting in the Member failing to satisfy the Membership requirements under Rule 2201; or
 - (x) a Member failing to comply with Rule 2501/2; or
 - (xi) the suspension or termination of a Member's capacity as a Clearing Member or termination of its Clearing Agreement, as the case may be.
- 2802/2 Any termination pursuant to Rule 2802/1 shall be decided by the Relevant Euronext Market Undertaking, taking into account the degree of seriousness or permanence of

the event in question. The decision of suspension or termination shall be notified in writing to the Member.

2802/3 Notwithstanding the rules of Chapter 9, as applicable, a Relevant Euronext Market Undertaking reserves the right to terminate the Membership of any Member in the event of the Member:

- (i) not having commenced trading within three months following admission as a Member; or
- (ii) having ceased to carry out regularly brokerage and/or dealing in Financial Instruments for a period of six consecutive months.

2802/4 A Member whose trading privileges are suspended or whose Membership is terminated may apply to the Relevant Euronext Market Undertaking at any time to have the suspension or termination revoked. On making such an application the Member shall provide the Relevant Euronext Market Undertaking with any information the Relevant Euronext Market Undertaking may require. The Relevant Euronext Market Undertaking may reject such application or may reinstate the Member or restore his trading privileges either unconditionally or subject to any conditions the Relevant Euronext Market Undertaking may think appropriate. Such Member may, by notice in writing within seven days of receiving notice of such decision, require the Relevant Euronext Market Undertaking to give additional explanations for its decision within seven days of receiving such notice from the Member.

2802/5 A Member whose trading privileges are in whole or in part suspended for any period:

- (i) shall be prohibited from trading as a Member during the period of suspension (save as may be allowed by the Rules for purposes of closing out his and his Clients' open positions); but
- (ii) shall remain liable in respect of all his obligations of Membership including the payment of any fees and charges payable under the Rules.

2802/6 Without prejudice to the above, a Person whose Membership has been terminated shall remain subject to the Rules and to the jurisdiction of the Relevant Euronext Market Undertaking in respect of acts and omissions while he was a Member for a period of twelve months from the date at which the termination of Membership became effective. Furthermore, a Person whose Membership is terminated shall forfeit all rights to use any trading privileges granted to him, without being entitled to any refund of fees paid in respect of the same.

2802/7 Upon a Member's notification of its suspension or termination pursuant to Rule 2802/2, all amounts owed by such Member to the Relevant Euronext Market Undertaking shall become immediately due and payable. All of such Member's obligations resulting from that Membership shall be discharged to the full satisfaction of the Relevant Euronext Market Undertaking. The Member shall forthwith return to the Relevant Euronext Market Undertaking on request, any software, equipment and documentation which may have been made available by Euronext.

2803 NOTIFICATION OF RESIGNATION, SUSPENSION AND TERMINATION OF MEMBERSHIP

Euronext shall promptly inform the Competent Authorities, and as applicable, the Clearing Organisation(s) of the resignation, termination or suspension, as well as of the termination of such suspension, of the Membership of any Person.

CHAPTER 3: MARKET ACCESS ARRANGEMENTS

3.1. CROSS MEMBERSHIP

- 3101/1 Individually or jointly, the Euronext Market Undertakings may enter into an agreement with another exchange operating a Regulated Market or an organised market recognised by the Competent Authorities in order to define, on a reciprocal basis, specific conditions for the admission of members of the said markets. For the purposes of this Rule 3.1, such Regulated Market or organised market shall be described as a “Partner Market”.
- 3101/2 A Person accessing a Euronext Market through a cross-membership agreement of the sort contemplated by Rule 3101/1 is referred to as a “Cross-Member”. Except as otherwise provided in the relevant agreement, a Cross-Member cannot benefit from other cross-membership agreements executed by Euronext.
- 3101/3 A Cross-Member is bound by the Rules of the Relevant Euronext Market Undertaking as amended by the provisions of the cross-membership agreement. Conversely, a Member shall comply with the rules of the Partner Markets where it trades.
- 3101/4 The Relevant Euronext Market Undertaking shall inform the relevant exchange with which that Euronext Market has concluded a cross-membership agreement of the admission of a new Cross-Member and of the resignation, termination or suspension of Membership of a Cross-Member.
- 3101/5 Following the termination of a cross-membership agreement, the Cross-Member may elect to remain a Member, in which case it will remain subject to the provisions contained in the Rules, but the specific provisions previously set forth in the terminated agreement will no longer apply.

3.2. ELECTRONIC ACCESS FACILITIES FOR CLIENTS

- 3201/1 Any access granted by a Member to his Clients by way of an Automated Order Routing System or through Sponsored Access must be adequately controlled in accordance with the provisions of Rule 8106.
- 3201/2 All business undertaken by a Client via an Automated Order Routing System or via Sponsored Access on an Euronext Market will be done in the name of the Member and the Member retains full responsibility for the conduct of all such business.

3.3 SPONSORED ACCESS

- 3301/1 Subject to Rule 3.5, the Relevant Euronext Market Undertaking may consider an application from a Member who wishes to provide Sponsored Access to an Euronext Market for one or more of his Clients. The Relevant Euronext Market Undertaking may refuse such application or may impose conditions on any approval granted in respect of such application. The Relevant Euronext Market Undertaking shall also have the power to rescind or modify any such approvals after they have been granted.
- All successful applicants will be notified in writing by the Relevant Euronext Market Undertaking.
- 3301/2 The Relevant Euronext Market Undertaking shall require that each Sponsoring Member ensures that each Sponsored Participant sponsored by such Member:

- (a) complies with the Rules applicable to trading on the Euronext Markets and with any procedural or technical conditions that may be prescribed by Euronext from time to time in relation to Sponsored Access and published by Notice;
- (b) permits Euronext or its duly appointed agents to carry out on-site investigations and submit as soon as possible any information or document which Euronext or such agents consider appropriate for purposes of such investigations;
- (c) enters into such agreements as Euronext may require; and
- (d) supplies contact details for such management or operational contacts as may be required by Euronext.

3301/3 The Sponsoring Member shall have appropriate arrangements in place with the Sponsored Participant to enable it, inter alia, to have control over its risk control systems (which cannot be located in the offices of the Sponsored Participant) and be able to take appropriate measures in relation to the trading activity of the Sponsored Participant. In particular, the Sponsoring Member must be able to demonstrate to Euronext's satisfaction that:

- (a) its monitoring arrangements comply with Rule 8106; and
- (b) its internal procedures and documentation allow it to suspend the Sponsored Participant's access to the Euronext Markets immediately, either by its own determination or when required to do so by Euronext.

3301/4 For the avoidance of doubt, where the Sponsored Participant is itself a Member, the Sponsored Participant will remain subject to the Rules (and in particular the general duties of integrity, fair dealing and care and the obligation to co-operate with a Euronext Market Undertaking) however its business is executed. In addition, in respect of the Sponsored Participant's own client business, it is subject to, inter alia, the provisions of Chapter 8 regardless of the technical solutions utilised to execute such business.

3.4. ELECTRONIC ACCESS FACILITIES FOR AFFILIATES

3401/1 Subject to Rule 3.5, the Relevant Euronext Market Undertaking may consider an application from a Member who wishes to obtain direct access to an Euronext Market for its Affiliate(s).

3401/2 For the purposes of this Rule, "Affiliate" means a Person who:

- (i) owns 95 per cent or more of the Member; or
- (ii) is owned 95 per cent or more by the Member; or
- (iii) is owned 95 per cent or more by a third party who also owns 95 per cent or more of the Member.

All successful applicants for affiliate access will be notified in writing by the Relevant Euronext Market Undertaking.

3401/3 All business undertaken by an Affiliate on an Euronext Market will be done in the name of the Member and the Member retains full responsibility for the conduct of all such business.

3.5 REMOTE ACCESS

3501/1 The Relevant Euronext Market Undertaking will only consider applications in respect of Sponsored Participants or Affiliates located in jurisdictions with satisfactory regulatory arrangements including those in respect of:

- (i) supervision of investment activity; and
- (ii) information sharing and co-operation between the supervisory authority of the jurisdiction concerned and the Competent Authorities or, where permitted by National Regulations, the Relevant Euronext Market Undertaking.

CHAPTER 4: TRADING RULES FOR SECURITIES

4.1. GENERAL

4101 SCOPE OF CHAPTER 4

This Chapter 4 sets forth rules governing trading on the Euronext Securities Markets.

4102 TRADING DAYS

The Trading Days in any given calendar year shall be announced by the Euronext Market Undertakings in a Notice published no later than the last Trading Day of the preceding year.

4103 CURRENCY OF TRADING

Orders for the purchase or sale of Securities shall be expressed in the currency determined by the Euronext Market Undertakings for the relevant class of Securities.

4104 TRADING SYMBOLS

The Euronext Market Undertakings shall define trading symbols for the purpose of identifying Securities in Euronext's trading systems. It may in its sole discretion modify or reassign such trading symbols at any time. The Issuers of the relevant Securities shall have no proprietary rights to such trading symbols.

4105 SYSTEM RULES AND REQUIREMENTS

When trading on a Euronext Securities Market, Euronext Securities Members shall comply with the operational, procedural and technical requirements of Euronext's systems and networks, as specified by Euronext.

4106 MEMBER RESPONSIBILITY

In respect of business conducted on Euronext Securities Markets or business related thereto, a Euronext Securities Member shall be responsible for the acts and conduct of all Responsible Persons registered in its name and all individuals trading under the general authority of such Responsible Persons as if the acts and conduct of each of those persons were the acts and conduct of the Euronext Securities Member. In particular, a Euronext Securities Member shall be held responsible for a violation of a relevant obligation committed by any such person and sanctions may be imposed under the Rules.

4107 LIQUIDITY PROVIDERS

4107/1 When the Relevant Euronext Market Undertaking considers it to be in the interest of the market that liquidity in a particular Admitted Financial Instrument be improved, it may enter into agreements whereby one or more Members (or, where permitted by the relevant Book II, Clients acting purely in a proprietary capacity) assume the role of Liquidity Provider for such instrument. The Relevant Euronext Market Undertaking shall determine the minimum and maximum number of Liquidity Providers for the relevant instrument.

4107/2 The Relevant Euronext Market Undertaking shall publish and regularly update the list of Liquidity Providers and relevant information relating to their activities in accordance with Rule 1501.

4.2. ORDERS

4201 SCOPE OF RULE 4.2

This Rule 4.2 only concerns orders for the purchase or sale of Securities submitted by Euronext Securities Members to the Central Order Book of a Euronext Securities Market and shall not stand in the way of specific arrangements regarding order specifications as between Euronext Securities Members and their Clients.

A Euronext Securities Member may decline to execute orders that are subject to conditions precedent or subsequent or other validity constraints, which are not contemplated by this Chapter 4.

4202 GENERAL TERMS AND CONDITIONS

4202/1 Minimum indications

Any order submitted to the Central Order Book shall at least indicate the following elements:

- (i) the Security to which the order relates or the trading symbol assigned by the Euronext Market Undertakings to such Security;
- (ii) whether the order is for a purchase or a sale;
- (iii) the order quantity;
- (iv) the price conditions;
- (v) whether the order is submitted:
 - (a) for the Euronext Securities Member's own account;
 - (b) for the account of an Affiliate granted direct access pursuant to Rule 3.4;
 - (c) for the account of a third party;
 - (d) pursuant to a Liquidity Provision Agreement;
 - (e) as a Retail Liquidity Firm Quote;
 - (f) as a Retail Order.

When placing an order, a Euronext Securities Member may also indicate special conditions as per Rule 4204.

4202/2 Order size

All order sizes can be traded, subject to particular specifications in respect of certain types of Securities as set forth in one or more Notices.

4202/3 Certain events

Unexecuted orders in respect of a particular Security shall be cancelled in the Central Order Book upon the occurrence or the announcement of certain events concerning the relevant Issuer which are likely to substantially affect the price of such Security, as set forth in one or more Notices.

Euronext Securities Members must agree with their Clients whether events of the kind referred to in the preceding paragraph require express renewal of orders or whether Euronext Securities Members are entitled to re-enter orders after having performed the necessary price or quantity adjustments, where appropriate.

4202/4 Modification and cancellation. Any order entered into the Central Order Book may be modified or cancelled prior to its execution. Any increase in the order quantity or change in the limit price shall cause the forfeiture of time priority.

4202/5 Indication of Interest

For certain warrants and certificates where the activity of a Liquidity Provider is, in the sole opinion of Euronext, considered as mandatory to maintain an efficient market, the outstanding orders of such Liquidity Provider shall have first the status of indicative quotes (hereafter in this context “the indications of interest”) during continuous trading phase. However, the incoming Liquidity Provider orders that are immediately executable against the rest of the central order book shall be executed as firm orders and their balance, if any, shall be treated as indications of interest.

Trades shall take place inside the bid/ask spread resulting of such indications of interest as the case may be, boundaries included. Accordingly, trading shall be reserved when the Liquidity Provider has not posted indications of interest in compliance with its presence obligations, it being understood that such obligation may consist of bid-only or offer-only posting in specific circumstances.

To allow for such market organization, market-to-limit orders shall not be allowed and stop orders shall run on a “stop-on-quote” basis, implying that they are triggered by reference to the LP indication of interest on the relevant side.

Euronext will specify to which warrants and certificates such provision applies.

4203 ORDER TYPES

4203/1 Market orders

An order to buy or to sell a stated amount of a security that is to be executed at the best price(s) obtainable when the order reaches the Central Order Book.

4203/2 Limit orders

Limit orders are bid or ask orders that can only be executed at their specified price limit or at a better price. The price limit must be consistent with the tick specified by Notice.

4203/3 Stop orders

Stop orders are orders which are triggered when a specified price limit is reached in trading (implying that the market must trade at or above the stop limit for a buy order and at or below the stop limit for a sell order). In the case of a stop loss order, a pure market order shall then automatically be generated and added to the Central Order Book. In the case of a stop limit order, a limit order shall automatically be generated and added to the Central Order Book.

4203/4 Pegged Order

A limit order to buy or sell a stated amount of a security at a display price set to track the current bid or ask of the Euronext central Order book. The associated price of each Pegged Order that is updated will be assigned a new entry time with priority in accordance with Euronext Rules.

Pegged orders can have a limit price which if breached will cause the pegging to temporarily stop as long as the current bid or ask is more aggressive than this price.

4204 ORDER PARAMETERS

4204/1 Validity

Orders entered into the Central Order Book may be valid for the Trading Day, until a specified date, or until cancelled, subject to a maximum duration of 365 days. Absent specification of its duration, an order shall be deemed to be valid for the Trading Day.

For a specified trading session as of its entry, an order may be valid until a specified time, or for a specified length of time or for the next opening auction or closing auction.

4204/2 Execution parameters

4204/2/A Certain types of orders may be made subject to the following execution conditions in accordance with the matrix of order types and execution conditions set forth in one or more Notices:

- (i) "Immediate Or Cancelled", are orders which are executed to the fullest extent possible either immediately upon entry with any remaining unexecuted portion being cancelled;
- (ii) "minimum-quantity orders" are orders which must be executed immediately to the extent of a specified minimum quantity, with any remaining unexecuted portion being added to the Central Order Book; provided that such orders shall be cancelled failing immediate execution of the specified minimum quantity;

it being understood that conditions (i) and (ii) above shall be allowed only in respect of continuous trading.

4204/2/B Market Orders

- (i) Pure Market Orders: any remaining unexecuted portion is being added to the Central Order Book for execution as soon as possible at the next prices.
- (ii) Market-to-limit orders: are bid or ask orders which, in continuous trading are executed immediately at the best opposite price limit and, in auctions are executed at the auction price, with any remaining unexecuted portion being automatically transformed into a limit order at the last executed price and added to the Central Order Book.

4204/3 Transparency parameters

"Reserve orders", also referred to as "iceberg orders", are orders of which only specified tranches, that may not be less than a threshold specified by Notice (except for the final tranche), are successively entered in the Central Order Book, and disclosed to the market, with the current time stamp following full execution of the preceding tranche.

4205 RETAIL TRADING FACILITY

4205/1 A Retail Member Organisation may not make any change to the terms of the order set by the client with respect to price, size or side of market either manually or through the use of trading algorithm or any other computerised methodology. This rule is without prejudice to the implementation of pre- and post-trade risk management controls pursuant to Rule 8106/3.

4.3. TRADING CYCLES IN THE CENTRAL ORDER BOOK

4301 OVERVIEW

Securities shall be traded either through continuous matching of orders at opposite sides of the Central Order Book or through call auction procedures following a period in which orders have been accumulated without execution.

The allocation of Securities between continuous and auction mode trading shall be determined by the Relevant Euronext Market Undertaking on the basis of objective criteria including (without limitation) historical and expected trading volumes, the inclusion in a Euronext or other internationally recognised index and the presence of Liquidity Providers.

4302 CONTINUOUS TRADING

4302/1 Pre-opening phase

An opening auction shall be held at the beginning of each Trading Day prior to the commencement of continuous trading, in the manner specified in one or more Notices.

4302/2 Main trading session

Upon completion of the opening auction, trading shall take place on a continuous basis, with each incoming order being checked immediately for possible execution against orders on the opposite side of the Central Order Book and any remaining unexecuted portion of such order being added to the Central Order Book (subject to different execution conditions permitted by Rule 4204).

4302/3 Closing phase

Except for certain types of Securities designated by the Relevant Euronext Market Undertaking, the final price shall be determined through a closing auction in the manner specified in one or more Notices.

4302/4 Trading-at-last

Except for certain types of Securities designated by the Relevant Euronext Market Undertaking, a short period shall be provided at the close of a Trading Day during which orders can be entered for execution at the last traded price.

4303 AUCTIONS

4303/1 Call phase

Each auction shall begin with a call phase in which orders are automatically recorded without giving rise to Transactions. During such call phase, Euronext Securities Members may enter new orders as well as modify or cancel existing orders. An indicative price, representing the price which the system matcher would determine on the basis of the given Central Order Book situation, shall be displayed and updated continuously as the Central Order Book situation evolves.

4303/2 Price determination phase

Following completion of the call phase, the system shall seek to determine a price so as to produce the maximum executable volume as per Rule 4401/3. During such price determination phase, no new orders may be entered and existing orders may not be modified or cancelled.

4303/3 Trading-at-last

For Securities designated by the Relevant Euronext Market Undertaking, a period may be provided following the fixing during which orders can be entered for execution at the auction price.

4304 POST-TRADING ORDER BOOK MANAGEMENT

During a period after the close of trading defined by Notice, Euronext Securities Members can access the Central Order Book in order to enter new orders as well as modify or cancel existing orders for the next Trading Day.

4305 OUT-OF-HOURS TRADING

4305/1 Price range

Without prejudice to the rules applicable to Block Trades, Transactions made outside the trading sessions shall be effected at a price within a price range of 1% around the last traded price, or the last disseminated indicative net asset value for ETFs, or the last known reference price for ETNs and ETVs . Euronext's decision to allow Out-of-Hours trading for such Securities is contingent on the availability of the indicative net asset value or reference price after the close of trading in proper conditions.

4.4. MARKET MECHANISMS

4401 ORDER MATCHING AND EXECUTION IN THE CENTRAL ORDER BOOK

4401/1 Execution priority principle

Orders in the Central Order Book shall be executed according to strict price priority.

Orders at the same price are ranked and executed according to strict time priority, with the following exception: during the continuous trading phase, orders at the best limit submitted by a Member who is participating in the Internal Matching Facility will be executed against such Member's incoming orders in the Central Order Book.

Retail Liquidity Firm Quotes can be matched only with Retail Orders, whereas Retail Orders can match with any other order in the Central Order Book.

Retail Liquidity Firm Quotes shall not be valid for matching if they cross the opposite best limit of the Central Order Book.

4401/2 Continuous trading

During continuous trading, each incoming order shall be checked immediately for possible execution against orders on the opposite side of the Central Order Book. Orders in the Central Order Book shall be executed according to the execution priority principle. The traded price shall be determined by the limit price of orders sitting on the book.

For certain warrants and certificates where, for the purposes of this Rule 4401/2, the activity of a Liquidity Provider is, in the sole opinion of Euronext, considered as mandatory to maintain an efficient market.

Either

- following the entering of an opposite order that could match the initial indication of interest; or

- further to an attempt by two other orders to match inside the indication of interest spread,

the Liquidity Provider shall receive first a “request for execution” consisting of an alert that does not mention the side, price nor the quantity of the incoming order. After a refreshment period providing the Liquidity Provider with an opportunity to update its indications of interest where appropriate, Liquidity Provider indications of interest shall be turned into orders executable, on an immediate basis only, against other orders if:

- the Liquidity Provider has not refreshed its indications of interest in a way that would make the orders not executable in the first case;
- the Liquidity Provider has shifted its indications of interest and improved the relevant side thereof so as to make it executable in the second instance.

In both circumstances, the immediately active orders of the Liquidity Provider shall match according to the standard price/time priority, time priority of the Liquidity Provider active order being given by the time of the associated indication of interest provided the latter has not been altered in a way that downgrades its priority. Following execution, the balance of such orders shall return to the indication of interest status.

Euronext shall be empowered to suppress the refresh process if it determines that it results in a poor execution quality for a particular instrument, as measured solely by Euronext.

Euronext will specify to which warrants and certificates such provision applies.

4401/3 Auctions

The auction price shall be determined on the basis of the situation of the Central Order Book at the closing of the call phase and shall be the price which produces the highest executable order volume.

Market orders shall have priority over limit orders. If there are several limits with equally high executable volume, the price shall be determined by reference to the price of the last automated trade (adjusted to take account of any corporate event that may have occurred in the interval) or, if such price is not available, another reference price determined in accordance with one or more Notices on the subject, until a single auction price is achieved.

4401/4 Financial Instruments admitted to trading on more than one Euronext Securities Market

Unless specified otherwise according to Rule 4404/5, a Transaction will be executed on the Market of Reference.

The prices and volumes of the Market of Reference are the ones to be taken into account for publication of the Euronext lists and of all kind of reference prices (including opening, closing, highest, lowest prices as well as index calculations) on the other Euronext Securities Markets on which the Financial Instrument is also admitted to trading.

4402 GUARANTEED CROSS TRADES AND GUARANTEED PRINCIPAL TRADES

Guaranteed Cross Trades involve the simultaneous production and execution by a single Euronext Securities Member of opposing buy and sell orders of Clients for an identical quantity of a particular Security and at the same price in the Central Order Book. Guaranteed Cross Trades can be made only for Securities traded continuously and shall be effected at a price within the market's best bid/ask spread at the time of execution, boundaries included.

Guaranteed principal trades involve Euronext Securities Members trading voluntarily against their Clients and shall be effected on the conditions applicable to guaranteed cross trades.

4403 TRADING SAFEGUARDS

4403/1 Collars and reservation thresholds (volatility monitoring)

4403/1A Continuous trading

Volatility monitoring on the central order book of Securities is based on (i) order control upon entry without impact on market running (referred to as the “collar” method) or (ii) a general market halt (referred to as the “reservation” method). Volatility control methods can relate to either dynamic or static reference prices, as appropriate.

In continuous trading, with the exception of certain classes of Securities, volatility monitoring is based on:

- collars or reservation thresholds determined in reference to a dynamic reference price; and
- reservation thresholds determined in reference to a static reference price.

The allocation of Securities between those mechanisms is determined solely by Euronext, with a view to facilitating the fair, efficient and orderly trading of such Securities. The allocation of Securities and associated parameters are set out in the Trading Manual and related technical appendices.

The aforesaid collars shall be determined by Euronext and published in the Trading Manual and related appendices. Where the execution of an order is bound to provoke a collar breach on the relevant Security, the order will be partially executed at the prices inside the collars subject to specific quantity execution conditions. Continuous trading is not halted. Order execution will continue on the basis of the adjusted collar if the member confirms that the original collar is to be crossed.

The aforesaid reservation thresholds shall be determined by Euronext and published in the Trading Manual and related appendices. Where an order is bound to cause the price of the relevant Security to cross a defined dynamic or static threshold, Euronext will temporarily interrupt the execution of such orders for the portion which would be traded outside the threshold and therefore put the whole market in reservation mode. An auction shall be systematically initiated before continuous trading is resumed.

4403/1/B Auction trading

In auction mode trading, the trading resumption process shall consist of a postponement to the next auction planned.

4403/2 Trading suspensions

The Relevant Euronext Market Undertaking may suspend trading in any Security in order to prevent or halt disorderly market conditions, either on its own initiative, and in its sole discretion, or at the reasoned request of the relevant Issuer.

In addition, the Relevant Euronext Market Undertaking shall suspend trading in any Security upon the request of a Competent Authority.

4403/3 Trade cancellation

The Relevant Euronext Market Undertaking may cancel Transactions on its own authority if they have been made:

- (i) in violation of the Rules, particularly those Rules relating to the principles of fair, orderly and efficient market operation; or
- (ii) under improper trading conditions; or
- (iii) further to a manifest material error.

The power to cancel Transactions on Euronext's authority shall encompass order-book and off-order book Transactions.

In addition, and upon request of one of the counterparts:

- (i) Euronext may, for certain kinds of Securities defined in a Notice, cancel Transactions executed at an aberrant price; or
- (ii) Euronext may cancel Transactions with the agreement of the other counterpart(s), based on explanations provided by the member concerned.

The Relevant Euronext Market Undertaking shall inform the market under the conditions set forth in Rule 4503/1, as promptly as possible upon such a cancellation if made during the trading cycle and, for cancellations made after the close thereof, at the latest before the opening of the following trading session.

For the avoidance of doubt, Euronext shall not take into account the consequences of a trade cancellation on subsequent Transactions. Euronext will notably not cancel Transactions executed to close an initial position or Transactions executed further to the triggering of contingent orders (notably stop orders).

4403/4 For the avoidance of doubt, references to “the Relevant Euronext Market Undertaking” in this Rule 4403 shall be references to the Euronext Market Undertaking which has admitted the relevant Financial Instrument to trading.

4404 OFF-ORDER BOOK TRADING

4404/1 This Rule 4404 defines those transactions that can be deemed to have been effected on Euronext securities regulated markets pursuant to Articles 18 to 20 of EU regulation 1287/2006 without having been processed in the central order book system, besides the out-of-hours trades referred to in Rule 4305. For purposes of this Rule, a Notice shall determine the Securities which shall be regarded as equivalent to Shares or bonds.

4404/2 Block Trades. Block Trades in Securities admitted to listing or trading on a Euronext Securities Market may be carried out outside the Central Order Book if they are effected in accordance with this Rule 4404.

4404/2A Definition for Shares and equivalent Securities

With regard to Shares and equivalent Securities, Block Trades shall mean Transactions that are equal to or exceed the following thresholds:

- (i) for Shares, the thresholds for large scale transactions as set forth by EU Regulation 1287/2006, depending on the average daily turnover as calculated by the relevant competent authority and published by ESMA from time to time pursuant to the aforementioned Regulation;
- (ii) EUR 500,000 for ETFs, ETNs and ETVs;
- (iii) EUR 100,000 in the case of all other equivalent Securities trading on a continuous basis;
- (iv) EUR 50,000 in the case of all other equivalent Securities trading only through call auction procedures.

Euronext shall review the transaction amounts set forth above under its control at least annually or whenever market conditions require an earlier change, and adapt them in accordance with Rule 1402.

Block trades in ETFs, ETNs and ETVs shall be effected at prices within the reservation thresholds.

4404/2B Definition for Bonds

With regard to bonds and equivalent Securities, Block Trades shall mean Transactions that are equal to or exceed a transaction amount of:

- (i) EUR 250,000 in the case of bonds trading on a continuous basis; and
- (ii) EUR 100,000 in the case of bonds trading only through call auction procedures.

4404/3 Trading at or around the value weighted average price

4404/3A Market value weighted average price (“Market VWAP”) Transactions are those where, in accordance with the provisions of the Trading Manual, a Member agrees with his Client or with another Member to effect a Transaction at a price within a 1% range (boundaries included) around the average price, as weighted by volumes, traded in the Central Order Book of a Security during a future period of time.

4404/3B Euronext is solely competent for defining the computation method of the weighted average prices that may be used as reference prices when registering Transactions of this kind on Euronext Securities Markets. In particular, for the purposes of such a computation, Euronext may exclude certain types of Transactions as may be specified in the Trading Manual.

4404/3C Only Shares traded continuously are eligible for such Market VWAP Transactions facility.

4404/4 Hedge component of stock contingent trades in derivatives (“delta neutral”)

The transactions on a security admitted to trading on a Euronext Securities Market that result from a trade combining an option contract and its underlying security as a “stock contingent trade” on a Euronext Derivatives Market operated by the same Euronext Market Undertaking are automatically registered on the former Euronext Securities Market, provided that the price of the underlying security is set within an interval, the terms and conditions for calculation of which are defined according to one or more Notices on the subject.

4404/5 Other Negotiated Trades

Other Negotiated Trades consist of the other kinds of Trades negotiated privately but which are still executed within this Rule 4404. They should be executed at a price at or within the current volume-weighted average spread reflected on the order book.

At the explicit request of the relevant counterparties, it is possible to report such Negotiated Trades on another Euronext Securities Market than the Market of Reference, if the concerned Financial Instrument is admitted to trading on that Euronext Securities Market.

For the purpose of price control, the price of the Transaction will be compared to the market data issued from the Central order book on the concerned security.

The price will be controlled based on the following criteria:

- The price is made at or within the current weighted spread reflected in the Central Order Book, and
- The price is within the lowest and the highest price of the concerned Security during the concerned Trading session.

If the Transaction occurs after the Trading hours, the price will be the last traded price or the last adjusted traded price (reference price).

Euronext shall specify in a Notice the conditions under which this reporting facility may be used.

4404/6 Net asset value trading

ETFs and Open-ended Investment Funds are eligible to net asset value trading on a forward pricing basis, subject to the appointment of a fund agent, under conditions specified by Euronext in a Notice.

4404/7 Security component of exchange for physicals in derivatives (“EFP”)

Any Transactions in Securities admitted to trading on a Euronext Securities Market arising pursuant to the execution of an EFP on a Euronext Derivatives Market are automatically registered on that Euronext Securities Market, with the price determined by an exchange-maintained algorithm.

4.5. CONFIRMATION, REPORTING AND PUBLICATION

4501 CONFIRMATION

4501/1 The Euronext Market Undertakings shall send an acknowledgement message for the orders entered into the Central Order Book and give them a sequential number per Security, which shall be disclosed to the relevant Euronext Securities Member.

The Euronext Market Undertakings shall send a confirmation of execution to the relevant counterparties upon full or partial execution of any order, which confirmation shall state the unfilled order quantity, if any.

4501/2 For the Transactions reported according to Rule 4404/5, the Relevant Euronext Market Undertakings shall send an acknowledgement message for the trade details entered into TCS and send a confirmation of execution to the relevant counterparties.

4502 REPORTING OF TRANSACTIONS

4502/1 Scope. This rule governs only Transactions (i.e. trades made under the Rules of Euronext Securities Markets) and is without prejudice to the trade reporting obligations set forth by European and national regulations implementing Article 25.3 of MIFID.

4502/2 Order book Transactions

Transactions carried out in the Central Order Book are automatically and immediately deemed to have been effected on, and reported to, the Euronext Securities Market operated by the Relevant Euronext Market Undertaking.

4502/3 Off order book Transactions

A Euronext Securities Member who has effected a Transaction outside the Central Order Book shall immediately report such Transaction to the Relevant Euronext Market Undertaking. For the avoidance of doubt, Market VWAP Transactions shall be reported immediately after the end of the agreed period of time referred to in Rule 4404/3.

When reporting, a Euronext Securities Member shall indicate whether it acted as principal or not.

Transactions carried out outside the Central Order Book shall only upon reporting be deemed to have been effected on the Euronext Securities Market operated by the Relevant Euronext Market Undertaking, subject to any trade cancellation action pursuant to Rule 4403/3.

4503 PUBLICATION

4503/1 For the purposes of this Rule 4503, “publication” shall be construed as dissemination to Euronext Securities Members, Affiliates with whom Euronext Securities Members have granted direct access with the consent of the Relevant Euronext Market Undertaking pursuant to Rule 3.3, eligible information vendors and other Persons which have entered into a Euronext market databases distribution agreement.

4503/2 Pre-trade transparency

The Relevant Euronext Market Undertakings shall continuously publish:

a) for all Securities other than those traded on the LP quote driven market model:

- (i) the market by orders, i.e., all orders outstanding at a given time;
- (ii) the market by limits, i.e., the bid and offer limits in the Central Order Book, including the number of orders and total disclosed order quantity at each such limit; and

In any event, publication shall be immediate except where the Relevant Euronext Market Undertaking has specified in the Trading Procedures that deferred publication is permitted.

5703 USE OF MARKET DATA BY EURONEXT DERIVATIVES MEMBERS

5703/1 The use of market data by Euronext Derivatives Members is governed by the Euronext market data distribution agreement with Euronext.
